

David Marcarian, MA
*NASA researcher,
 recipient of \$450,000.00
 NIH grant & designer of
 the MyoVision SEMG.*

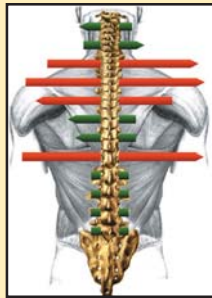

What attorneys have to say about Mr. Marcarian:

“I wanted to thank you personally for the time and effort you put into the Alvarado case. We would not have been able to obtain this (\$650,000.00) award without the aid of your MyoVision dynamic Surface EMG technology.”
